CHANGED LIVES ⇨ CHANGING LIVES

Littlebourne and Wingham, East Kent

We're looking for a Priest in Charge. Is it you?

A new partnership of five churches near Canterbury is moving enthusiastically towards becoming a single benefice. We are seeking a priest to lead us, encourage us, guide us and pray with us. Our ministry teams need help in their development of God's work in our growing community. Please help us as we grow the role of the laity in our churches and reshape our worship, evangelism and pastoral care. We are still learning but we understand and accept the challenge facing the rural church and us locally.

Initially the post would be 0.8 of full-time (with vicarage), as Priest in Charge of the Littlebourne Benefice and also licensed as an assistant curate in the Canonry Benefice with responsibility for the parish of Wingham. The aim is to bring all the churches into a single benefice in the near future. Our five churches are

St Vincent, Littlebourne,
St John the Evangelist, Ickham,
St Mary, Stodmarsh
St Andrew, Wickhambreaux and
St Mary the Virgin, Wingham

Closing date: 31st May

Interviews: 2nd July
