Dear Applicant

Thank you very much for your interest in the post of **Local Ministry Programme (LMP) Year Tutor** for the Diocese of Guildford. Please find enclosed in this application pack the job description, person specification, information on the Diocese of Guildford and its setting and outline terms and how to apply.

This role is a fantastic opportunity for someone who genuinely desires to contribute to education, training for ministry and the development of vocations, both lay and ordained. The Local Ministry Programme needs a team player to work alongside colleagues in 'formation for ministry' through teaching and pastoral care of students.

You will enjoy:

- Working with students to develop their vocation to lay and ordained ministry
- Teaching, developing new course materials and marking set assignments
- Assisting students through the formational process for their three-year DipHE course
- Teaching BA level modules to ongoing learners
- Being part of a close-knit team that works creatively together to deliver ministry training to a varied group of students from around the diocese

The role is for 14 hours a week, requiring a flexible approach to a varied workload. You will be responsible for creating new resources and modifying existing ones to continue the delivery of the LMP curriculum under Common Awards, validated by Durham University. The main teaching hub is on Monday evenings, at Christ's College, Guildford; but attendance is also required at residential weekends from Friday evening to Sunday afternoon (two per annum), and three Saturday study days per annum. Admin support is provided, and working from home is the normal pattern. The role within LMP is also embedded in the wider Mission team so excellent integration and support is available.

I look forward to receiving your application which should consist of a completed application form and a supporting statement (no more than two sides of A4) detailing your reasons for applying, what you can bring to the post and how you meet its requirements. The closing date for receipt of applications is **12 noon on Monday 10th June 2019**. If you would like to discuss the post details, and the reason for the initial six month contract, please feel free to call me on 01483 790319.

Yours faithfully

Canon Dr Steve Summers

The Diocese of Guildford and its setting

A. Area, People and Community

The Diocese of Guildford covers the western two-thirds of Surrey and a significant area of north-east Hampshire. It also includes one parish in a London borough and one in rural West Sussex. In the north-east, it is largely suburban, but moving south and west, there are a number of distinct towns and numerous villages. The south-west has a more rural feel to it, but the north-east is largely suburban. The population here is greater and excellent road and rail links to London and elsewhere mean that there is much commuting within these areas.

The population is just over a million, rising in line with the national rate. Notwithstanding the rural areas, the average population density is above average, both regionally and nationally.

The area is rightly perceived as affluent, but there are other perspectives. There are surprisingly high levels of domestic and sexual abuse. The population is quite mobile, but the cost of housing is very high and there are issues of homelessness in the towns. The government wants a significant number of new homes to be built in the area, but there is much lively debate about where they might go.

Taken as a whole, the Diocese has the lowest average IMD (Index of Multiple Deprivation) in

England, but the picture is not uniform. Throughout the area there are tight pockets of deprivation, enclosed within housing estates or even within a few streets, with high levels of child poverty, low income, poor mental health and other significant problems. Often they are adjacent to affluent areas that camouflage the extent of need, driving down the statistics and diverting public funds to areas of more widespread poverty in other parts of the country.

The Diocese is becoming more diverse ethnically, and there are notable Asian populations in Woking and Camberley. There has also been a large influx of Nepalese to Aldershot and Farnborough following recent Government changes to Gurkha pension provision. In 15% of parishes, the proportion of White British inhabitants is now less than 80%.

Principal occupations include Wholesale/Retail Trade, Professional & Scientific, Education, Human Health & Social Work, with significant numbers also in Information & Communication Technology and Finance. There are also a large number of military personnel (and their families) in several areas of the Diocese; Aldershot is the 'Home of the British Army' and the tri-service Defence Medical Rehabilitation Centre at Headley Court (although shortly to be closed) lies within the Diocese. The University of Surrey and College of Law are based in Guildford, together with the Surrey Research Park. The University of the Creative Arts is based around Farnham, and Royal Holloway (University of London) is at Egham. There are four major hospitals and four prisons. A significant number of key national decision makers live within diocesan borders.

B. The Church in the Community

The Diocese has two archdeaconries, each with six deaneries, and a total of 161 parishes. There are very few multi-parish benefices with just one stipendiary priest.

A great deal of the work of the church is done at a local level by the parishes. The diocesan teams support and encourage the work of the parishes, and also work with wider networks to the mutual benefit of the church and society at local, regional and national levels.

The Diocese includes churches representing all shades of Anglicanism. All traditions play their full part in the life of the diocese, and broadly speaking there is an encouraging absence of tribalism.

We are fortunate to have some 300 licensed clergy. Nearly two thirds of these are stipendiary, of whom over 90% are full-time. About a third of all licensed clergy are women, including our Suffragan Bishop and Dean, with a higher proportion amongst Self Supporting Ministers. There is a significant number of clergy couples, ministering in various ways.

With more than 200 clergy and investment houses, 217 Church buildings and many parish owned halls and facilities, our property portfolio provides an essential asset for our mission and ministry across this area, whilst also supporting multiple community activities, clubs and meetings.

The proportion of the population attending church, both adults and young people is above the national average, but overall numbers have dropped, albeit slightly more slowly than the national average. With a changing population, ministry to new parishioners is a significant task.

Church communities vary in size, but about half have an average Adult Weekly Attendance of over 100 (with 14 parishes over 250 in 2017).

Parish clergy, authorised lay ministers and other lay members, including chaplains, are not only engaged with church schools across the diocese, but also with over 250 county and independent schools. Many of the latter have church foundations.

Many parishes are involved with their local communities, not just by way of occasional offices, prayer and financial support, but in active engagement through projects such as CAP (Christians Against Poverty) Centres, Street Angels/Pastors, Food Banks, furniture recycling to needy families, chaplains to GP surgeries, Night Shelters and Credit Unions.

The 83 church schools (53 voluntary aided) in the diocese include three secondary schools. There are also 11 Affiliated schools. We currently have 21 academies, 16 of which are under the care of the Diocese's Good Shepherd Trust. The development of this programme has been a major source of new work and is being enthusiastically embraced in line with national Church initiatives. Through this and all other work, we will improve the education of our 22,000 children, strengthen our schools' Christian ethos and continue to grow our presence in the community.

Alongside the engagement of our churches and schools, the Diocese has entered into partnership with local authorities through its Community Engagement Team (shortly to be incorporated into the Transforming Church Team), which currently operate in areas of Family Support, Health and Wellbeing, Restorative Justice and Surrey Faith Links. The Church House Review recommends that such partnerships should continue, provided they are genuinely self-funding and better integrated into the community engagement of the local church.

C. Transforming Church, Transforming Lives

Transforming Church, Transforming Lives is the vision of the Diocese of Guildford, launched in September 2016 following a long period of prayer and consultation. It envisages individuals and church communities open to the transforming work of God's Spirit in their own lives, and so becoming agents of Christ's transformation to the world around them.

This vision is deliberately couched as a strapline to the phrase 'Diocese of Guildford', rather than as an initiative in its own right. *Transforming Church, Transforming Lives* communicates the essence of everything we are seeking to pray and work towards across the diocese, rather than being a separate mission project to be hived off to a small bunch of enthusiasts.

Transforming Church, Transforming Lives is a framework not a blueprint, encouraging a thousand local initiatives to work towards our broader shared goals. It is primarily a strategy for the local church, though many of its principles are being extended to groups of churches, network congregations, chaplaincies and church schools. Its ethos is:

- To encourage local mission initiatives through a culture of permission-giving, training, support and finance.
- To develop a deeper sense of partnership and shared accountability between churches and across the diocese, as parishes increasingly look to resource one another, and Church House Guildford to resource the whole.
- To grow a culture of honesty, mutual learning, persistent prayer, deepening discipleship and confident faith sharing.

Set within that broader context, *Transforming Church, Transforming Lives*:

- Sets 12 Diocesan Goals, which together provide the framework of all our mission activities within parishes, chaplaincies, schools, the cathedral and Church House Guildford, recognising the primacy of the first goal above the rest.
- Provides resources for parishes, schools, chaplaincies and the cathedral as they select the goals to which they are particularly committed over the coming year: these resources to include support, training, mentoring, prayer resources and grant funding through the newly established Growth Fund.
- Expects every parish to pray over its mission priorities and to produce a Church Development Plan to be renewed and revised in each year following – a rather patchy aspiration thus far, to be addressed by the needs-based process recommended in the Church House Review.

The twelve diocesan goals are as follow:

1. For every parish and chaplaincy to develop an appropriate strategy for making prayerful, confident disciples in daily life.
2. Together to increase the number of new Christians of all ages through persistent prayer, confident faith-sharing, life-giving worship, and the development of a hundred new worshipping communities by 2027.
3. For every parish to develop a safe, attractive and spiritually-enriching children's and youth ministry, encouraging sharing of resources where appropriate.
4. Together to increase the number of lay leaders of all ages, who are called, trained and deployed in the church and wider community.
5. Together to grow the number of ordinands by 50% from 2020 and beyond.
6. Together to increase the range, professionalism and spiritual fruitfulness of our partnerships with the local community, to help create a safer, stronger, fairer and more

sustainable society.

7. Together to grow the number and depth of our partnerships with Christian communities beyond our diocesan borders, in the holistic mission to which Jesus calls us.
8. Together to improve the standards and develop the Christian distinctiveness of our church schools, wholeheartedly embracing our contribution to education in the diocese.
9. For every parish to encourage an increasing number of worshipping Christians to commit to regular, proportional and sacrificial giving.
10. Together to share expertise and streamline our processes so as to release fresh energy for mission.
11. For every parish and chaplaincy to develop effective communications, promoting a church that is visible, attractive and accessible.
12. For every parish to work towards having church buildings that are fit for purpose in supporting today's ministry and mission.

D. Diocesan Teams

We have recently concluded an extensive review of our central teams at Church House Guildford. The Church House Review (CHR), which was externally led, sought to ensure our central team structure, capacity, capability and flexibility is organised to effectively support and help lead the objectives and priorities of *Transforming Church, Transforming Lives* (TCTL) through our parishes, chaplaincies, and schools over the next five to ten years.

The review has proposed the move from a current 5 team structure to a new 3 team arrangement that is grounded in a set of new foundational processes that all CHG teams are integral to. Foremost amongst these is a new 'needs-based' process that will inform and guide all CHG teams, rigorously grounded in the vision, plans and needs of parishes.

The move to the new team and organisation will be completed through 2019 in two phases. More detail on the change and the new arrangements can be found at <https://www.cofeguildford.org.uk/review>

E. The Bishop's Leadership Team and Diocesan Structures

The Bishop's Leadership Team is more broadly based than in many dioceses, including team directors as well as senior clergy.

Bishop's Leadership Team meetings have been evolving as a new team comes into place. They include a monthly meeting and occasional residential, and a smaller breakfast meeting for bishops, archdeacons, diocesan secretary and dean (which exists predominantly for prayer and mutual support). The Bishop's Leadership Team is the formal safeguarding committee and is advised by a safeguarding panel with an independent chair.

Like many dioceses, Guildford has brought together a number of committees to join up policy, priorities and finance, so that the members of the Bishop's Council are the standing committee of the Diocesan Synod, the board of directors/trustees of the Diocesan Board of Finance, the Mission and Pastoral Committee and the Property and Parsonages Committee. The Bishop's Council is as small as is practicable. It is supported by a non-executive Finance and Audit Committee and Housing Advisory Committee. There is not a great deal of pastoral committee work. When detailed consideration is required an ad hoc group is formed from all the interested parties. Members of the Diocesan Synod are also members of the Diocesan Board of Finance. The other main committees are the Diocesan Advisory Committee and the (unincorporated) Diocesan Board of Education.

F. The Cathedral

The Cathedral itself sits in the geographical centre of the diocese and has, in recent years, begun to address the physical isolation from the town of Guildford and to reach out to parishes, schools and chaplaincies of our Diocese. It seeks to serve as the 'Mother Church' for the Bishop in his mission and ministry but also as a resource to the whole community of Surrey and north-east Hampshire. Underlying the plans for a residential development on part of the site and for a £7.5m renovation and improvement project already underway is the intention of the Cathedral to provide a place of welcome, worship, inspiration and engagement for the furtherance of God's kingdom.

G. Finance

The Diocese has an annual budget of around £12 million and aims to achieve a break-even position each year. Around 70% of budgeted costs relate to ministry provision and housing; 10% relate to our contribution towards the national Church, and the remainder mainly funds the work of the central diocesan teams. The Diocese has very limited investments and the budget is almost entirely funded by parish share receipts.

Parish Share is determined by allocating direct ministry costs according to the number of incumbents, which results in a request of around £58,000 a year per incumbent post; smaller parishes may share an incumbent. Remaining 'shared' costs are allocated in accordance with a formula involving adult Sunday attendance and a prosperity factor. This is a new method starting for 2019: the amount allocated to direct ministry has increased with shared costs of proportionately lower and various subsidies have been removed. There is a transition period of three years for many parishes. More details can be found on the Diocesan website:

<https://www.cofeguildford.org.uk/governance/parish-share>

H. International links

The Diocese has a long-established link with the Anglican Church of Nigeria, which is a valuable channel of communication for the Communion as a whole- though current Communion politics mean that aspects of the relationships are currently on hold. We also have developing links with

the Diocese of Sialkot in Pakistan, and with the Lutheran Diocese of Viborg in Denmark. Many parishes have their own links to these and other parts of the world.
