One Parish - One vision – One Lord**

We are looking for someone to join us as we embark on the next stage of our journey in mission together. We seek a priest who is approachable, visible and has spiritual energy. Our new Priest-in-Charge will be a positive team player ready to develop ministry collaboratively in this beautiful part of east Kent.

We are looking for someone who:

- actively shares leadership and will work with us to secure change
- recognises and affirms us and nurtures our gifts
- develops and shares our churches' teaching ministry and developing discipleship
- works with us to further develop our mission plan
- is a good communicator

Could this be you? Do you share our vision? Are you called to come and share lively ministry with us in a village, the country and the seaside!
