

Priest-in-Charge of the King's Wood Benefice, Diocese of Canterbury

The King's Wood Benefice is prayerfully seeking an outgoing and collaborative priest with excellent people skills to help lead us into the next stage of our mission and ministry together.

The Benefice (formed in 2012) consists of four rural parishes (6 worshipping communities) in an Area of Outstanding Natural Beauty between Canterbury and Ashford; it is named after the beautiful and bluebell-filled King's Wood which encompasses three of the four parishes. The Vicarage and church school are in the extremely picturesque village of Chilham, which has featured in many films and TV programmes. All the churches are equally represented on the Benefice Council and have together agreed a vision and set of values.

Is God calling you to be a visible presence in our communities; a priest who will both encourage and challenge us – and above all care for us?

Closing date: 30th September

Interviews: 31st October

This post is subject to a DBS check

Applications and questions to: Jo Manser, PA to the Archdeacon of Canterbury
