Children and Families Worker

Job Description
INTRODUCTION

About St Paul’s

We know you’ll love St Paul’s. We’re a large and vibrant Anglican church (electoral roll of 412) in the heart of Winchmore Hill in North London. Children and young families are pivotal to our common life and mission, and we have a vision and desire to see this ministry grow and flourish.

We’re busy on Sundays. Between 60 and 80 children and around 170 adults attend our morning services. Our 0915 Family Service is aimed at families with pre-school children, and around 50-60 children, most of whom are under 5, attend. Groups for children and young people run during the 1030 Parish Eucharist, with 15-20 children and young people coming during term-time. Worship is liturgical, embracing both the formal and the informal, with the Eucharist at its heart.

Like babies? Winchmore Hill is full of them. 30-40 babies and children are baptised at St Paul’s each year. We prepare 10-15 children and young people for confirmation each year, and around 25-30 adults, the majority of whom are young parents. The Mothers’ Union runs a weekly toddler group, and the church hall is rented by a nursery school during term time.

We love our amazing school. St Paul’s School is a two-form, voluntary aided, Church of England primary school, rated ‘Outstanding’ by Ofsted. The whole school community worships in church at least twice a term, and the church actively participates in all areas of school life, especially RE and collective worship. The annual Christingle services are a sight to behold.

Beavers abound! Over 100 children and young people are part of our sponsored uniformed organisations: beavers, cubs, rainbows, brownies, and scouts. At least once a term the Parish Eucharist is a Parade Service.

And Winchmore Hill is lovely. In case you haven’t heard of it, it’s a leafy suburb in the London Borough of Enfield, with an idyllic village green, and lots of great cafes, pubs, restaurants and green spaces. But don’t be fooled into thinking it’s sleepy; it’s a buzzing place just 25 minutes by train from central London.
About the role

This is a new role, so you’d be our first ever Children and Families Worker.

We’ve created it because, although we have an amazing ministry with children and families, we realise that there’s so much more that could be done. And children’s and families’ ministry is so important to us that we want to have a full-time person dedicated to helping us build and implement a vision and strategy for it.

One of our massive challenges is that we lose quite a lot of families as children get older: we have loads of babies and toddlers, but not so many Key Stage 1 and Key Stage 2 children. We want to see children of all ages worshipping God and growing as disciples of Jesus Christ.

The Children and Families Worker will be focussed on mission and ministry among children aged 0 to 11 and their families. The purpose of the role is to help us to

1. engage with and evangelise the large numbers of pre-school children and their families with whom we have contact;
2. nurture the discipleship of children and young families as children progress through Key Stage 1 and Key Stage 2;
3. develop sustainable, outstanding links with our Church of England Primary School and our Uniformed Organisations to nurture and develop children’s and families’ faith;
4. reach out with the love of Jesus Christ to children and young families with whom we have not had any previous contact;
5. become a resource to develop children’s and families’ ministries in less well-resourced parishes, conscious not only of the economic disparity in our deanery and borough, but also nationally.

The Children and Families Worker will be joining a team which is made up of:

- the Vicar;
- an Assistant Curate (part-time);
- two part-time administrators;
- several Licensed Lay Ministers (LLMs);
- and lots of volunteers.
What we’re looking for

We’re looking for someone who has a deep Christian faith, and loves working with children and young families – and lots of them!

You will be someone who enjoys spending lots of time with children, and are able to relate to them and command their respect. At the same time, you will be someone who is good at relating to adults: both the parents and guardians of children, with whom you will build solid and lasting relationships, but also with the whole church community, enthusing every single person with a vision for a flourishing ministry with children and families.

You’ll be someone who is passionate about the good news of Jesus Christ, and who is able to share that good news with others.

What we can offer you

We believe that St Paul’s is an exciting and rewarding place to minister and work. We can offer you:

- A supportive and can-do church family, which values the presence of children and young families, and wants to see this ministry grow and flourish.
- A Vicar who is himself passionate about and experienced in ministry with children and young families, who will give you prayerful and practical support and supervision, and also freedom for you to be creative and imaginative.
- A place where you can grow as a Christian, where prayer and discipleship are important.
- A ministry among children and young families which is already flourishing – you won’t need to start from scratch – but which also has enormous potential for growth and development.
- Training and development.
- A competitive salary.
