VOCATIONS ADVISER AND DDO

Job Description

Context:
Winchester aims to become a mission-shaped diocese. Our vision statement is ‘Living the Mission of Jesus’ so that we generate sustainable growth for the common good. The Bishop’s ministry promotes this across the diocese in three dimensions:
- Passionate personal spirituality
- Pioneering faith communities
- Prophetic global citizenship.

The whole diocese has four strategic priorities: we are growing disciples, re-imagining the church, agents of social transformation and mutually generous. We are committed to the mission of the whole people of God, encouraging the discipleship of all in order to grow the vision of our common vocation to contribute to the common good. We also seek to discern and nurture the vocation of Christian leaders who are called to equip the whole people of God in their mission.

We are therefore committed to providing theological training which has this mission at its heart. The diocese has been developing a suite of mission-focused theological modules, in collaboration with the Regional Training Partnership (RTP) and validated by Durham University, to deliver training for lay and ordained leaders and enhanced continuing ministerial education. The Winchester School of Mission (WSM) contributes towards the delivery and turnaround required for supporting our strategic priorities and delivering the theological training. The Vocations Adviser and DDO is responsible for recommending people to join this training in the WSM and at other Theological Educational Institutions.

The Vocations Adviser directly supports the Bishop of Winchester in his responsibility to encourage the callings of all God’s people and for all types of ministry within the Diocese of Winchester. The post holder will be responsible specifically for promoting lay and ordained vocations and supporting, through selection and initial training, suitable and gifted people with a heart for developing the mission of the whole people of God in the diocese and more widely. The Vocations Adviser will also be a key contributor to the local theological training for mission leadership.
