Communications is crucial to every organisation. It's all about promoting and explaining the value of your organisation to a wide audience. As a communications apprentice in the Church of England in Herefordshire and South Shropshire, you'll interact with a wide range of people. We are looking for someone to help deliver creative content across a range of platforms to enhance our engagement with the communities we serve and also our clergy and churches.

This is an ideal opportunity for the right person to learn and earn at the same time. We are looking for someone who is digitally savvy, who is enthusiastic, inquisitive, and has a can-do attitude.
